Recess Activity Committee - Winter Games and Activities

Winter is coming - and with it, indoor recess for bad weather days. We'd like to make indoor recess as much fun as possible for the kids and are looking for your help in any way you can offer it. Donations of gently used Legos, games, toys, crafts, etc., are welcome. Please note that games and puzzles must be complete (no missing pieces) and can be completed in a single recess (e.g., no 500-piece puzzles, please!) We also welcome parent who would like to volunteer their time and skills to lead recess clubs or activities. You can volunteer one time or on a regular basis throughout the winter. We're open to any and all suggestions. Past activities and ideas have included a Lego club, knitting club, yoga club, calligraphy or cursive writing club. What skill can you share with Demarest students? Please contact Laurie Kessler at lauriekessler@hotmail.com to volunteer or if you have questions. Or feel free to drop off donations labeled "RECESS DONATIONS" to the Demarest office. Thank you!

Presidents' Corner

It's the most **wonderful** time of the year! Do you know what else is wonderful? All of our children and family here at Demarest! We know this is a very busy time for everyone, and the Home and School Association is also busy with lots of fun and exciting events for the month. We have the Holiday Shop, Breakfast with Santa, and our classroom holiday parties. We thank you again for your continued support and generosity. On behalf of the Home and School Association, we wish you and your family a safe and happy holiday season!

Happy New Year!

Principal's Message

Dear Parents,

As you can imagine, an elementary school is an exciting place to be as the holidays approach. Our halls are decorated, children are reading holiday stories, and they are learning holiday- and winter-themed music.

I am hopeful that our students also understand that the holiday spirit should go much deeper than what I have described above. It is also a season when we think of others who may be less fortunate and come to understand that not everyone in our Demarest family shares the same holidays and celebrations. These differences provide us all with an opportunity to learn and grow.

At Demarest School, there will be several opportunities in the next few months for our children to learn the joy of giving and caring. We will have our annual collection of new socks, hats, scarves, and gloves/mittens to decorate our Giving Tree. In addition, a Demarest Girl Scout Troop will be collecting new children's toys for needy families. I am excited to also share the news the Demarest School has been selected to be a site for the annual Martin Luther King Jr. Day of Service. This will be scheduled in January, and you may consider volunteering some time to work alongside community members to paint and decorate our school.

On behalf of the entire Demarest staff, I offer our wishes for a wonderful holiday and a new year that is filled with peace and happiness.

Sincerely,
Mary Todaro

Basketball Clinic: 2nd & 3rd Grades

Registration packets for 2nd and 3rd grade basketball clinic went home last week. This is a co-ed clinic designed to teach basketball skills, drills, and the basics of the game in a fun environment. Sessions will be held on Mondays from January 8 through March 26 from 5–6 pm (2nd grade) and 6–7 pm (3rd grade) in the Demarest gym. If your 2nd- or 3rd-grader did not receive a registration packet, or if you have questions, please email basketballclinic@demaresthsa.org or call/text Amy Deputato at 201-838-5562.

Basketball Clinic: 4th-6th Grades
